**Judge Mason Grants An Appeal and En-
 joins Justice Riley From Further
 Proceedings in Case.**

Judge John W. Mason has enjoined
 Squire M. S. Riley from further proceed-
 ings in the civil suit of Harvey E. Smith
 against J. Calvin Gray, involving a con-
 troversy of at least \$15 in magnitude,
 and has granted an appeal of the case
 to his court. Gray was the applicant
 for the appeal and has given bond of one
 hundred and twenty-five dollars.

A Summer Cold.

A summer cold is not only annoying
 but if not relieved pneumonia will be
 the probable result by fall. One Minute
 Cough Cure clears the phlegm, draws
 out the inflammation, heals, soothes and
 strengthens the lungs and bronchial
 tubes. One Minute Cough Cure is an
 ideal remedy for the children. It is
 pleasant to the taste and perfectly
 harmless. A certain cure for croup
 cough and cold. Sold by Stone & Mer-
 cer.

Mother and Daughter Have Typhoid.
 Mrs. H. C. Russell, of 786 Locust
 street, who has been suffering with ty-
 phoid fever for some time past is mak-
 ing a slow progress toward recovery.
 Her daughter, Louisa, five years old, is
 bedfast with the same disease.

The Death Penalty.

A little thing sometimes results in
 death. Thus a mere scratch, insignifi-
 cant cuts or putty holes have paid the
 death penalty. It is wise to have
 Bucklen's Arnica Salve ever handy. It
 the best salve on earth and will prevent
 fatality, when burns, sores, ulcers and
 piles threaten. Only 25c, at Stone &
 Mercer's and F. G. Bland's drug stores.

Committed to Reform School.

Blanche Pritchard, a Parkersburg girl,
 will be admitted to the Girls' Industrial
 School, at Salem, as soon as a guard
 from that institution goes after her. She
 has been adjudged incorrigible by a jus-
 tice of Wood county. It was said by
 the mother and neighbors that the girl
 was beyond all restraint.

Of Interest to Sick People.

We have all the sympathy in the
 world for sick people, and want to treat
 them in a serious way. There is no
 humor in pain and affliction, but hard
 earnest fact. It is impossible for the
 patient to impress on others the extent
 of suffering they endure, and their an-
 xiety for relief. To get well or be re-
 lieved is their one thought any remedy
 that will bring this about has their
 everlasting gratitude. We have thou-
 sands of letters from people who have
 had dyspepsia, sick headache and bilious
 attacks, who tell us how thankful they
 were for having used Dr. Gunn's Im-
 proved Liver Pills. They are sold at all
 drug stores for 25c per box. Only one
 for a dose. These pills remove the
 cause of disease and make the skin
 clear and healthy looking. For sale by
 Stone & Mercer.

Taken With Cramps.

Wm. Kirmse, a member of the bridge
 gang working near Littleport was taken
 suddenly ill Thursday night with cramps
 and a kind of cholera. His case was so
 severe that he had to have the members
 of the crew wait upon him and Mr.
 Gifford was called and consulted. He
 told them he had a medicine in the form
 of Chamberlain's Colic, Cholera and
 Diarrhoea Remedy that he thought
 would help him out and accordingly sev-
 eral doses were administered with the
 result that the fellow was able to be
 around next day. The incident speaks
 quite highly of Mr. Gifford's medicine.

 never fails. Keep it in your home, it
 may save life. For sale by Stone &

The teachers' institute for Harrison
 county will convene at Clarksburg this
 week beginning August 22, 1904, with
 Dr. Charles H. Albert and Prof. J. N.
 Deahl as instructors.

Owing to the scarcity of teachers, and
 upon the recommendation of the State
 Superintendent of Schools last year, a
 few of our teachers were permitted to
 teach without having attended an in-
 stitute.

This year, however, Superintendent
 Miller says that all know the conditions
 and requirements, and he further recom-
 mends that no excuses for non-attend-
 ance be granted by the County Board of
 Examiners.

I heartily concur with his suggestions
 and hereby give notice that all persons
 who think of teaching in the Harrison
 county schools this winter, that they
 must have a certificate of five days in-
 stitute attendance.

We are looking forward to a success-
 ful institute and invite all friends o
 education to be with us that we may
 spend the week profitably.

Respectfully yours,

L. WAYMAN OGDEN,
 County Supt.

KILLS GERMS OF CATARRH.

**Hyomei Goes to the Root of the Disease
 and Makes Astonishing Cures.**

Catarrh cannot be cured by the use
 of pills, liquid medicines and so-called
 system tonics. Under such treatment
 the germs of the disease will still live
 in the air passages and increase and
 multiply.

Hyomei is the only scientific and
 thorough way to cure catarrh. Killing
 the germs in the air passages, it en-
 ters the blood with the oxygen, de-
 stroys the microbes in the blood and
 effectually drives from the system all
 traces of catarrhal poison.

Probably the strongest evidence
 that can be offered as to the powers
 of Hyomei to cure catarrh is the fact
 that Sturm & Co. will agree to refund
 the money if you say Hyomei has not
 cured you.

The complete Hyomei outfit costs
 but \$1.00 and consists of an inhaler
 that can be carried in the vest pocket,
 a medicine dropper and a bottle of
 Hyomei. The inhaler lasts a lifetime
 and if one bottle does not cure, an ex-
 tra bottle of Hyomei can be obtained
 for 50 cents.

SWEET MELODY FLOUR

BIAS BANDS.

An Easy, Quick and Accurate Method of Cutting Them.

How to properly cut bias bands is a
 problem that has worried many a wom-
 an and still remained unsolved after re-
 peated and vexatious trials. Here is
 an easy, quick and accurate method
 that will make the work a pleasure in
 the future.

Having decided upon the width of
 the bands and having calculated the

amount of material that will be re-
 quired for them, cut your material on
 the bias and draw straight lines across
 it with a pencil or a piece of chalk.
 When this is done join the bias ends
 of your material together so that the
 ruled lines will meet, one end of line
 No. 1 joining line No. 2, one end of
 line No. 2 joining line No. 3, and so
 on, as shown in illustration. Press the
 seam open and then begin to cut the
 ruled lines round and round, starting
 either at the top or bottom. The re-
 sult will be one long bias strip which
 may be readily utilized for bands.—Lad-
 ies' Home Journal.

Galvanized Ware.

It is not as easy to keep galvanized
 pails, washbasins, etc., clean and
 bright looking as it is, other ware, be-
 cause the same treatment will not an-
 swer. To clean and brighten such arti-
 cles wipe them perfectly dry, then rub
 hard with a cloth dipped in kerosene.
 After rubbing till the metal shows
 bright and clean, wash in soap suds to
 remove the kerosene, and the article
 will be as bright as when new. The
 zinc bath and the stove zinc can be
 cleaned in the same way.

Washing Blankets.

When washing blankets for the first
 time begin by soaking them for twelve
 hours in cold water, then rinse them
 in clean water. This will remove the
 sulphur used in the bleaching. After
 this proceed to wash them in a luke-
 warm lather made of boiled soap and
 water. Rinse thoroughly in clear wa-
 ter, shake well and hang out to dry.
